QWEST PRODUCTIVITY MEDIA INCOME TRUST

INVESTMENT OBJECTIVE

The investment objective of the Qwest Productivity Media Income Trust (the “Trust”) is to seek a high level of income, superior risk adjusted returns and potential for long-term income generation on select investments with moderate volatility and low correlation to traditional publicly traded asset classes by investing all or substantially all of the net proceeds of the Offering in the units of Productivity Media Income Fund I, LP (the “LP”).

INVESTMENT STRATEGY

The investment strategy of the Trust is to invest all or substantially all the Trust’s assets in LP Units. The net proceeds attributable to each class of Trust Units issued in a fiscal year will generally be invested in LP Units. However, the manager may, from time to time, maintain a portion of the Trust’s assets in cash or cash equivalents for the purposes of paying expenses to the Trust and/or funding redemptions.

FUND MANAGER & PORTFOLIO MANAGER

Qwest Investment Fund Management Ltd. is the Investment Fund Manager and Portfolio Manager to the Qwest Productivity Media Income Trust.

OFFERING AT A GLANCE

ABOUT PRODUCTIVITY MEDIA INCOME FUND I, LP (“LP”)

The Trust will make investment into the LP. The LP intends to achieve its investment objective primarily by constructing tailored investment structures where the General Partner will have active participation, often as a producer or in a similar role, utilizing asset-based debt and revenue participation structures with the investments negotiated on a one-off basis with motion picture and television companies and special purpose vehicles. The payment obligations to the LP will be secured by a variety of collateral, including tangible and intangible assets, specified sales and distribution rights, or state, provincial or federal government rebate programs or tax credits.
